Tickets £7.50 payable on the door or in advance (see below).

Doors open 7.30pm.

Light refreshments and snacks will be on sale.

Tin Soldiers play a wide range of musical genres written by singer song writers from the 1950s up to present day. Their repertoire ranges from Fairport Convention or Nick Drake, to Bob Dylan or Gillian Welch and maybe The Stones or Radiohead. The band includes acoustic guitars, bass, mandolin and concertina. All sing and enjoy it when the audience joins in.

Marko Ivanovic plays rhythm guitar and sings for Tin Soldiers. He kicked off his performing career summer busking the Yorkshire coast in the early 70s. Marko started his first band in 1975, Prickety Bush, playing pubs and folk clubs in West Wales. He formed Tin Soldiers in 2018, first as a duo but soon expanding the band into it's current format.

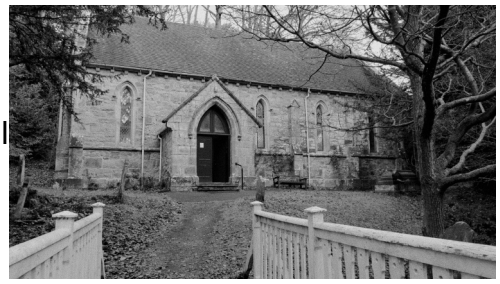

Les Parker is bass player in the band and has been playing guitar, banjo and bass since the age of 14. After an early career in Skiffle, Rock and Roll and Jazz, Les spent 30 years playing with a Birmingham Dance Band. He now plays bass with various groups in the area.

Rob Davis hails from Mitcham, South London, but in the 70s moved with his wife Yvonne to Mid-Wales and thence to Shropshire. His instrument is the guitar ("I'm still learning") which incorporates the genres of folk, blues, country and fado. Rob's main musical outlet is with Tin Soldiers.

Val Marciandi started singing at the age of 4. She joined her first band at 17 when she learnt to play bass guitar. Since then, Val has taken up concertina, mandolin, banjo and settled in Bishops Castle. Val is a founder member of the popular Irish band "The Flying Toads" and also sings and plays in the duo "BouZaTina" with her husband, Keith.

Advance tickets available from the Community Café, Hope Village Hall every Wednesday 12-2pm or phone Jo on 07905636569 or email chair@hopevillagehall.org

THANK YOU

We would like to say a massive thank you to everyone who helped, donated and supported at our Christmas Coffee Morning, Bingo evening and Wednesday cake sales at the Village Hall Café in aid of Hospice at Home.

A big thank you must also go to the following businesses who kindly donated prizes for a raffle

Efes	Claires Flower shop	Double Vision Cakes
Tanners Wines	Laurens Soap Shack	Stiperstones Inn

A fantastic amount of £1635.00 has been taken into Hospice at Home. This is such an overwhelming amount which we couldn't believe we raised.

This is a charity which is very close to us as a family as they cared for both John Bennett and John Davies to enable them both to have there final days at home, to which we were very grateful.

Thank you all once again.

Janet, Debbie and Clare

HOPE VILLAGE HALL COMMUNITY CAFÉ

2022 was another successful year for Hope Village Hall's Community Café. As most of you know, this is held every Wednesday lunchtime and creates valuable income for the Hall. It is run on a rota basis by separate groups of lady volunteers who provide delicious home-cooked meals, soup, sandwiches, cakes etc. There's not a ban on men volunteering for any of the necessary roles (most of them seem too busy tucking into the food) and there's always space for more volunteers, of any persuasion, to offer their services.

The Café often attracts well over 30 people, with several visiting from places beyond the locality and it is gaining a well-earned reputation of some renown in the area. Not everyone who reads this will have the opportunity to make a visit on a Wednesday but those of you who do have the time might want to check out the quality of the food and service and the very reasonable prices. There's sure to be people there that you know and it's a great opportunity to meet neighbours, both old and new.

On one Wednesday in December the Café is suspended in favour of an organised Christmas lunch. These pictures show how the Hall looked before the throng arrived last year but within an hour it was full of smiling faces eager to get the festivities underway. As you can see, and as usual, the Hall looked so good and was a great credit to those who presented it for this and the other Christmas events.

Unfortunately, numbers for this lunch have to be limited and it must be booked on a first come first served basis, so there are often some disappointments.

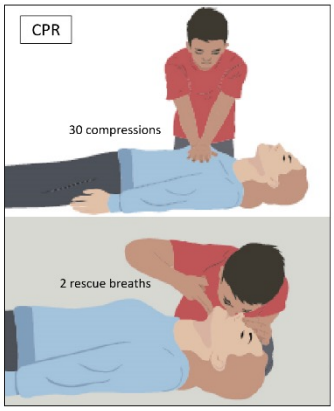

This time, the attendees had the additional benefit of being entertained, prior to lunch service, with a wonderful piano performance by our own Georgia Davies.

As we anticipated the lunch was up to the usual high standard and highly appreciative comments were received from many of those attending.

It is appropriate here to add that HVH has again been awarded the highest (Grade 5: Very Good), food hygiene rating after an inspection by Shropshire Council. This covers the handling, storage and preparation of food; the cleanliness of the facilities and how food safety is managed so it is a great credit to the same volunteer groups who maintain the Hall's facilities for the community's benefit.

Well done girls.

CPR AND DEFIBRILLATOR TRAINING SESSION

There are still places available on the CPR and defibrillator training session to be held at Hope Village Hall on Saturday 25th March 2023 at 11am.

If you want to attend this very important opportunity please make note of the day/time and let me know by making contact at barry@hopevillagehall.org, or at the Wednesday Community Café or by leaving your contact details in the post box at HVH.

The same goes for anyone who attended previous sessions who may want a refresher.

By now, you must all realise what a useful and important skill you will gain in being able to offer life-saving action at the time it is essential and remember that 75% of all out-of-hospital cardiac arrests happen in a home environment.

APPLE JUICE

HVH's Apple Day in October was a great success and a whole truckload of fruit was donated by our generous community for pressing and sale for Village Hall funds.

The donated apples were sent to our professional juicer at Bewdley, where they were pressed, pasteurised, bottled and boxed. As usual, the juice is of a very fine quality (remember, it's apple juice not cider) and will be on sale at HVH on the Wednesday Community Café days or for collection by arrangement. This year, it's £3 per bottle, which is a small increase on last year to cover the increased processing costs.

WANTED

If you are spring cleaning and have items you no longer want or using then why not bring them along to the village hall on a Wednesday for our Bric a Brac
stall or contact Joyce 891901 or Debbie 891414

REA VALLEY FOODBANK

Rea Valley Foodbank is a newly constituted organisation that has been established to provide food to Minsterley, Pontesbury and surrounding villages. Launching on Tuesday September 27th at Holy Trinity Minsterley from 10-12 and every Tuesday morning thereafter; and every Thursday morning at St George's Pontesbury, we will be working in partnership with Foodbank Plus, guaranteeing there will always be enough food however many customers the foodbank serves.
Rea Valley Foodbank has arisen out of a partnership between five local churches (Anglican, Congregationalist, and Baptist) and other supporters, including Good Neighbours, Pontesbury. We have a wonderful pool of colleagues who will staff the foodbank, undertaking a variety of different roles. However, we do need your support. You can make food donations at any of the following locations:

- ☐ The Coop Pontesbury
- ☐ Hope Church
- ☐ Pontesbury Baptist Church
- ☐ Minsterley Methodist Chapel
- ☐ Holy Trinity Minsterley
- ☐ Hignetts
- ☐ Pontesbury Congregational Church
- St George's Pontesbury

We are seeking other locations to make donating food as straightforward as possible. There is an up-to-date list which is refreshed weekly at https://www.barnabascommunityprojects.org/shrewsburyfoodbank

We are also seeking financial partners, those who will take out a small standing order to ensure our long-term viability. For details as to how to do this, please contact our Treasurer, Jonathan Brown, at jonathan.starfish@hotmail.com Independent foodbanks only survive through the generosity of their supporters and the hard work of their volunteers.
If you have any questions about Rea Valley Foodbank, please contact its Chair, Revd Greg Smith at rectorpontstip@gmail.com

PONTESBURY GARDENERS' ASSOCIATION

Nothing says that it is the new year more than the garden waking up into growth and the Trading Post re-opening to provide local gardeners with the materials that they will need; we open on Saturday 4 February. We are situated in the Old Station Buildings on Station Road and are open every Saturday from 9.30 to 12 noon, from now until the end of October.
Our new stock of seed potatoes is available and details of the varieties are on our Facebook page. There are also pea, bean and beetroot seeds, onion and shallot sets, as well as plenty of all the other materials that you will need to get sowing and growing. The bulk delivery of multi-purpose potting compost has arrived and the usual offer of a reduced price for three bags is in place; we also have peat-free multi-purpose compost but this isn't on special offer due to the ongoing difficulty in obtaining sufficient supplies. As usual there will be people on hand to help carry the heavy stuff to your car.

Some dates for your diary:

- 7 March: Annual General Meeting, 7.30 pm in the Public Hall
- 18 May: Spring into the Garden, 7.30 pm in the Public Hall
- 26 August: Annual Show, 2.30 pm in the Public Hall

A reminder: subscriptions for 2023 are now due: they are still £2 for the year, or £1 if you are retired.

How to access help from the foodbank

Anyone in need can receive food from the foodbank, but you need a referral before attending; this can be obtained from many sources including those listed below:

Join Ric Morris with Pontesbury & Rea Valley u3a at 2pm on Wednesday 15 February 2023, at Minsterley Parish Hall, at our next Open Meeting, for a feast of aerial photography of the Stiperstones area.

The show features rarely seen images captured from Espiritu hot air balloon flights during the early 2000s. We fly south from Plox Green along the Stiperstones ridge on an evening in late summer 2001 before doubling back on a second flight northwards from Linley Hill, in the crisp early morning light of spring 2004.

Our gorgeous Shropshire countryside and villages change subtly from season to season and from year to year, so as these are all photographs from around 20 years ago, why not spend an afternoon enjoying the landscape of our recent past from a whole new perspective!

DONATIONS

Hope Village Hall (HVH) recently added a section to their website advising how a donation could be made to ease the burden that volunteers face in raising the funds that are essential in supporting its charitable purpose, which is for the daily and long-term running of the Hall that is used for such a variety of purposes by so many in our community.

But in these very difficult economic times, as a thought for those of you who might want to offer some financial assistance but who cannot just do so, another consideration might be to leave a gift to HVH in your Will. Of course, the time that such a gift would be made is not something we would like you to dwell on and making an act of such generosity would require serious consideration, which should take into account any advice that might be sought from family or legal/financial advisors.

Thank you.

If you do feel able to donate to our funds we would welcome that in one of the following ways: either by cheque, address to, 'The Treasurer, Hope Village Hall, Hope, Minsterley, SY50JB', or in person at the Wednesday Community Café or by making a direct transfer to our bank account using the following details:

Account name:	Hope Village Hall
Sort Code:	08-92-99
Account Number:	65983117

It would help if you could specify if your donation was for general funds, for the Hope Newsletter or for the Hope and Bentlawnt Local History Group.

Successful showcase of stunning new visitor website

Enterprise House launched its impressive new visitor website, www.bishopscastleandbeyond.co.uk, at a showcase vent on 16th January which saw members of businesses and organisations from across the area come together for its unveiling. Those present had the opportunity to view the website's stunning images, fantastic films and comprehensive content all aimed at boosting awareness of all the area has to offer and enticing visitors to the area. Bishop's Castle and Beyond is ready to inspire visitors who can start planning their next trip today using their own bespoke itinerary planner.

Along with attracting new and return visitors to the area, the comprehensive website is also an opportunity for the many independent businesses, attractions and locations throughout South West Shropshire to be seen like never before.

The Bishop's Castle and Beyond project delivered by Enterprise South West Shropshire, in partnership with Bishop's Castle & Clun Tourism Group, has been funded by **Shropshire** Council's Economic Recovery Programme, and was a truly collaborative project involving a wide range of local businesses in the project development and delivery. VILLAGE HALL QUIZ

Thank you to the Village Hall Committee for agreeing to host the southern section of the quiz at very short notice after the ceiling at Culmington village hall fell down. Thanks to those who provided the refreshments, did the scoring or acted as “runners” on the night

The Hope team on the night consisted of Susan and Alistair Bates, Michael Carter and Steve Oates (our first full team this season). We were doing very well until the last round but only scored 8 and ended up third on the night much to the disappointment of the home crowd. We remain in the relegation spot having missed the first round.

HEATHER'S LATEST REPORT

Happy new year everyone!

SUPPORT. The poor weather and the cost-of-living crisis have combined to give many a tough time over the Christmas period. If you are struggling to pay bills in the new year do get in touch, I know of many agencies and voluntary groups that may be able to help.

Two key sources of help in our area are:

i. The foodbanks in Pontesbury and Bishop's Castle. You can contact BC direct on 07549 127071 or bishopscastlefoodbank@gmail.com but need to be referred to Pontesbury. Drop me a line if you do.

Ii The South Shropshire Furniture Scheme. They can provide furniture (including white goods) free or at reduced prices if you are struggling. Call 01584 877788

SALT BINS. If your local bin has been emptied during the recent harsh weather drop me a line and I'll get it refilled.

WASTE COLLECTION. Veolia have made a shambles of waste collection in parts of our area. Following the introduction of the new purple bins, the tried to change the delivery rounds without having the right vehicle to collect from steep hillsides. In some parts of our area, especially Upper Works In Snailbeach this caused mayhem, especially as they used crews from Shrewsbury who didn't know the area.

If you are still having deliveries missed report this to Customer Services at Shropshire Council but also email/ring me/ message me.
