Harvest Festival Service at Shelve on Sunday 1st October

Harvest Supper and Auction at Hope Village Hall on Wednesday 4th October

It was good to meet so many people at my licensing service in June. I have had a warm welcome to this beautiful part of the world and am beginning to find my way around the villages. If I have not met you so far, I hope to do so soon. If you would like to chat about anything do get in touch.

Special congratulations to Jean and Mike Ellis of Bentlawnt who celebrated their golden wedding anniversary at the end of July.

Pontesbury & District Gardeners' Association—Show

Our show will be held this year on Saturday 26th August. It is open for public viewing at 2.30pm but open for exhibitors to set out their exhibits between 7pm and 8.30pm on Friday 25th and 8am to 10.30am on the Saturday.

Refreshments will be available for a small fee and there will be a plant sale.

Beginners' Classes
This year we have introduced a small number of classes for those who have never exhibited before and would like to try it out with less pressure. These classes are in the Vegetable, Flower and Cookery sections and are similar to the main classes but with less demanding criteria – such as fewer specimens required.

Schedules
The Show schedules, which include details of entry fees and prizes as well as an entry form, are now available from the Trading Post, the Library and shops in the village. You can also get an emailed copy in Word from robedixon@btopenworld.com

EMERGENCY LOCATING — 'what3words'

I'm sure you are all aware of the difficulty in the emergency services finding specific addresses in dispersed rural communities that have no road names and when only the house name/number and its postcode can be given to the emergency response operator.

Recently, we had another instance where an ambulance crew had great difficulty in locating the address of a resident who, in the late evening, was on her own and unable to move because of the pain she was in. After some delay, the resident was found and taken to hospital but if she had been able to quote, to the emergency operator, information that would provide positive identification of her address, significant time could have been saved in reaching her.

Living around here, most postcodes are not accurate enough because they can cover too large a rural area, sometimes hundreds of metres from where a satnav might identify as the location. A full Ordnance Survey grid reference would be accurate, but more easily remembered and provided in the heat of emergency would be your location provided by the 'what3words' app, which is used by the West Midlands Ambulance and other emergency services.

We have previously written about 'what3words' but just to remind you it is a locating app that covers the whole planet (even oceans) with 3metre squares each of which is designated 3 words in an order that is unique to that square. By having the app on your smartphone, you can immediately be shown the 3 words relevant to the square you are in and this information can assist in navigation or be sent to anyone also using the app to show them where you are.

That's fine if you have a smartphone and the app is turned on, but many of us do not and for our home purposes a note of the 3 words kept by your home phone (perhaps even taped to it) would have your location immediately available if it became necessary to call the emergency services.

More information about the what3words app can be found at https://what3words.com/ where you can identify the 3 words relating to your residence. For those of you who do not have a smartphone or digital device or find technology challenging I am willing to assist you obtain this valuable information if you contact me at barry@hopenews.uk or at Hope Village Hall any Wednesday lunchtime.

REPAIR OF LOCAL STRUCTURES

HVH is pleased to record our thanks to Mal Fellows, one of our local Parish Councillors, for his great work in refurbishing 2 local community structures that have probably gone unnoticed by many people, namely, the equipment shed in the cemetery next to HVH, used by those tending the graves of relatives, and the wooden bus shelter, by the rock 'exposure' at Hope. Both structures have been in need of urgent repair to remedy the ravages of time.

The cemetery shed was placed there in 1977 as an unusual commemoration of our late Queen's Silver Jubilee and displays a plaque recording the event. Mal's refurbishment is now recorded on another plaque and there is another commemorating a 'precious' infant. I know nothing about the age of the bus shelter but it had deteriorated through age and vandalism and was in need of refurbishment.

The shed has been re-roofed and the wooden sides re-secured and painted. With the bus shelter, Mal has put new timber to the front and tidied it up generally. Both look so much better and are good for many more years. Both are the responsibility of Worthen with Shelve Parish Council and, once again, it is pleasing to see that body is being attentive to the community's needs.

Many of you will have driven by these structures without a second glance, but each, in their own way, is important for the many who do need them, so we're pleased that they're now back in fine fettle.

Heather's Report – July 2023

Shropshire Council's Financial Crisis
Years of underfunding and poor financial management locally have pushed Shropshire Council (plus other English Counties like Kent and Hampshire) into a deep financial crisis.
Recently a report by the Local Government Association found that the threat of insolvency is very real if it doesn't meet its target of saving £51m this year. This will be a tall order and half a that will have to go into reserves as they are dangerously low.
To make matters worse recent developments over the North West Relief Road could make the financial position much worse. If after the Environment Agency's objections, this project doesn't go ahead, then the cost of the work already done on this road will have to come out of the revenue budget putting even more pressure on the Council's finances.
Watch This space.

Grass Verges and Hedges
If you own a verge or a hedge that has overgrown this summer onto a pavement or a road, could you consider cutting it and any nettles back, please? Quite apart from scratching people's legs (especially children) in many cases overgrown foliage forces pedestrians and mums with buggies onto the roadway placing them at risk from passing vehicles.

20 mph limit outside Worthen School
It now transpires that the Council Officer responsible for this project has left Shropshire Council. I will chase this up to find out who is now undertaking this work. Worthen and Shelve Parish Council and I are eager to see this limit extended through the village.

Hope and Bentlawnt Local History Group

Local photos

In recent months, I have been provided with photos of local groups/people to copy for retention in the history group's records. These include images of the Hopesgate United football team from the 1930s and formal group photos taken of the classes at Hope School in most years between 1980 and its closure in 2016. The majority of the children and adults depicted in these have been identified but I also have other school photos from many previous years where identification has not been possible. There are still many missing years of photos that I would like to fill to improve the record of this now lost, much loved, place and the children, now adults, who attended it.

I cannot publish any of these photos but they are very helpful in creating a record of our community in past years and I would be happy to show them to anyone who might be interested to see them, in the hope that other such images might be forthcoming. These photos are also very useful for those that often make contact, sometimes from much further afield, as part of their genealogy research.

I would also ask if anyone has original postcards depicting local scenes. Two particular images are of the miner's bridge, crossing the A488 at Gravels and the image of people in front of Mrs Linley's house/shop on the A488 opposite the bus stop at the bottom of Church bank. I have copies of these examples but originals would always be better and there may well be other cards showing local scenes.

If anyone does have local photos, or any other information they think would be helpful for the history record please contact me at barry@hopenews.uk

Fundraising

Committee members Joyce Graves and Deborah Davies kindly spent a Sunday morning at the Shrewsbury Car Boot Sale selling excess 'bric a brac' which had been donated to raise funds for the hall and had a grand total of £98 at the end of it! Thank you ladies.

The Callow Run 2023

The Event took place on 10th June on one of the hottest days of the year and was again successful although with only a small number of participants.

Eleven participants took part in the Callow Chase ranging in age from 14 to 70. The event was won by Liam Bennett who completed the course in an amazing time of 28:53, beating last year's course record. As winner he was presented with the Richard Bayliss shield. Liam also won the award for the fastest participant under 16. The fastest woman was Anna Bayliss and the winner of the over 60's was Peter Johnson (who is actually just over 70). The full results for the Chase can be found on the event website at: https://callowrun.uk/results

Due to the hot weather, a few of the entrants withdrew from the Pootle. The winning family of Su, Ben and Emma completed in an hour together with (I'm sorry we can't remember the name of the most important participant), collecting their trophy and bag of doggie goodies. We also had four entrants in the Crawl who enjoyed a scenic if very hot walk.

Special thanks are due to the marshals who ensured that the event could take place safely – Steve, Alastair, Sarah, David, Barry and Charles on the junctions and Callow and Deb who acted as the "sweeper" to ensure that the course was safe. Thanks also to Debbie and Janet for providing refreshments at Hemford and support at the Village Hall. Other thanks to Heather for allowing parking in the field, Molly for assisting with the prize giving and Susan for helping with all the organisation.

Finally special thanks to Stapeley Vets for sponsoring the event for the second year and to the Village Hall committee for all their support and for use of the hall.

I am hoping to add a gallery of images and video from the day to the website during July and August.
