HOPE AND SHELVE PARISH NEWS— AUGUST

Sunday 2nd August Holy Communion at Shelve 9am
Sunday 9th August Holy Communion at Hope 9am
Sunday 16th August Worship Together at Shelve 9am
Sunday 23rd August Morning Prayer at Hope 9am
Sunday 30th August Group Holy Communion at Shelve 10.30am

As I write this, we seem to be having a respite from the high temperatures, but there isn't yet any sign of rain. Many farmers will be praying that we do have some soon, both for the benefit of their beasts and their crops. Yet at other times of year we may well find ourselves praying for the rain to stop. Shropshire weather may sometimes seem extreme, but fortunately not often as extreme as many parts of the world, where both floods and drought have catastrophic effects for communities and whole regions.

You might feel that the weather is not an appropriate subject for prayer, bring governed by natural processes, even if these may be affected by human activity. And yet when we are in need, when life feels out of our control, prayer may feel like the only thing we can do.

It isn't something we can understand, nor can we calculate its effectiveness, but many people find that it is helpful to take their problems to God. Those who are going through difficult times are often encouraged to know that people are praying for them. When it seems like we can do nothing to sort out the world's problems (and there are plenty of those), or that no-one is listening to us, we can always pray. Because God is always ready to listen. We pray regularly in our churches for the needs of our communities and of the world. If you would like us to pray for you, or for the things that concern you, please do text me.

The Bog Visitor Centre

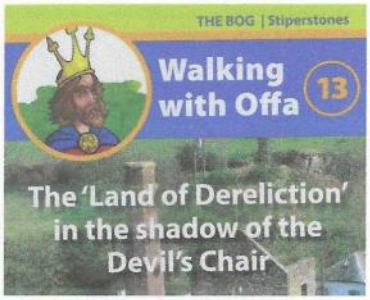

A jetty has been placed on the western reservoir making a view point for watching the numerous dragonflies and damselflies at this time of the year. This area of the site has many habitats and is a quiet and peaceful place to sit and watch wildlife such as the many and varied types of butterflies. Call in at the Centre for a free leaflet/poster for butterflies found in South Shropshire.

Find out more about the **Stepping Stones** project creating wildlife corridors between The Mynd and Stiperstones

The Nipstone Wanderer starts beside the western reservoir, a walk taking 1 -1 ½ hours that includes woodlands, open field and moorland passing Nipstone Rock with wonderful views of Corndon Hill to the west, the Long Mynd to the east and the rocky outcrops of the Stiperstone ridge to the north. **Pick up the walk leaflet at the Centre.**

The Shuttle Bus runs at weekends throughout the summer and into the autumn and is a great way to travel from the Stiperstones to Bridges and up across The Long Mynd to Church Stretton. **Remember use it or loose it**

Interested in helping at The Bog Visitor Centre contact Jerry Hughes 07530 267222

Access for All Grants

Last Autumn in partnership with Shropshire National Landscape our project was to create pathways and seating on the Bog Mine Heritage site. Also to develop digital 3D imaging of how the site might have appeared at the height of the lead and barytes mining.

This year's grant will enable us to complete the project with the placement of information boards on the mine site and an interactive computer display inside The Bog Visitor Centre.

Heather's Report for July 2026

The Local Plan: The Local Plan (for future housing development) under the Government's new guidelines has now gone out to consultation around the process. The maps of land attached to it are just those of pieces of land put forward for the last withdrawn plan. More land will be added for consideration and will go out for formal consultation in May. Many of those sites will not be approved at that stage. The whole process should take 30 months to complete.

Project Gigabit: Openreach has given me the following indicative timescales for the completion of the Project Gigabit-funded roll-out of full-fibre broadband networks in the five main telephone exchange areas that serve our area:

Chirbury & Churchstoke - 2027 Worthen - 2028 Pontesbury & Halfway House - 2029

If you have any queries, contact them on connecting.shropshire@shropshire.gov.uk

Potholes: The potholing crews are now permanently filling more than 500 more potholes per week than are being created.

There are many roads that do need overlays and resurfacing and there are certainly some around Blackmore, Caus and Hem Lane (to name a few) that need more than potholing. Time and funding are issues, but I am pressing for them to be put in the capital programme.

Teams out doing permanent pothole fixes can now add any more of the correct size on to their tablets. They take a picture, fill it, take another picture and then they can be paid. Common sense at last.

Bins and Grass Cutting: Please report any full bins and uncut grass on FixMyStreet and let me know, please. I will chase them too.

Buses: The Government gave Shropshire £200k less this year and the retendering has meant that some buses have had to be stopped. We are lucky and as you know, the 558 will be an improved service with the later return for workers, but also an extra service in the day. The bus company will also change to D&M.

One of the services stopped is Meole Brace Park and Ride as its costs were just too great. Oxon continues and the Hospital shuttle will also continue from there to the hospital.

The Council Finances: The Council continues to work on balancing the books and is gradually cutting overspends. Last year meant there were no reserves left and those are now gradually being replenished.

The Government is now putting pressure on the Council to sell all unused property. There will be more considered. This will reduce borrowing, which must be paid back at approximately 11% (interest and repayment).

Questions? Please email me or ring.

WEST MERCIA CRIME STATS

CRIME/INCIDENTS TO NOTE REPORTED
CHIRBURY, WORTHEN, HOPE, SHELVE & STIPERSTONE

16th June 2026 – 16th July 2026

CRIME REPORTED	DETAILS	LOCATION	NOTES
Theft of livestock	40 ewes stolen from farmland	Rorrington	Occurred between May and 15th July
Harassment		Meadowtown	
Harassment		Marton	
Malicious communi-cations		Priest Weston	
Assault		Brockton	Suspect arrested
Assault		Leigh	Suspect identified
Assault		Bentlawnt	Suspect identified
Assault	Following a road rage incident that started in Churchstoke	Chirbury	Picture obtained of the suspect
GBH		Brockton	Suspect arrested

Reports of local crimes are always concerning, when no better detail is available, but as well as these crime reports, West Mercia Police reported the following, for which they should be commended for keeping us all a little safer in our rural communities.

Seven arrests in crackdown on serious organised crime

On Thursday 25th June, six men, aged between 24 and 45, were arrested during a pre-planned operation in Shropshire, linked to modern slavery, rural burglary and drugs supply.

Officers carried out nine warrants at addresses in Donnington, Lightmoor, Madeley and Broseley, following a two-year investigation into an organised criminal gang that were targeting Shropshire.

West Mercia Police officers were joined by teams from Dyfed-Powys Police, Cheshire Police and Northumbria Police across the addresses.

The men were arrested on suspicion of conspiracy to commit burglary and theft. Five of them were also arrested on suspicion of human trafficking. One man was further arrested on suspicion of being concerned in the supply of drugs and on suspicion of possession of a firearm, and one man was also arrested on suspicion of being in possession of class A drugs.

On 29th June, a seventh man was later arrested for burglary, conspiracy to steal and conspiracy to conceal / disguise / convert / transfer / remove criminal property.

During the operation, a quantity of drugs and criminal property was seized from the addresses.

All have now been charged with the offences, all of which relate to incidents between September 2024 and December 2025 in Shropshire and elsewhere in the country.

Hope Village Hall (HVH)

HVH is yours. It is operated through a registered charity that is managed by volunteer Trustees for community use and has done so successfully since the original hall was built in 1951; after WWII interrupted the plan for an earlier version. When that much-loved first building needed costly repairs, the current hall was built in 1995 and officially opened in January 1996, so this year we are marking two significant anniversaries; 75 years since the original hall and 30 years of the current one. These milestones will be marked by a celebratory event later this year.

HVH is yours. In its early years, management of the hall was enshrined in a Trust Document that formed part of the original ecclesiastical lease and trusteeship was placed in the hands of various, well-established local groups, to reflect the community of the day. A board of Trustees included various members of: Worthen Parish Council; Hope Parochial Church Council; The trustees of Bent Lont Methodist Chapel, the Committee of Hope Women's Institute; the British Legion-Hope Branch; The National Farmers' Union – Minsterley Branch; Hope Youth Club; Loyal Roman Gravels Lodge, Independent Order of Oddfellows; and the Committee of Hopesgate United Football Club. Each of these groups (and others) made extensive use of the facility and although the (renamed) Parish Council is the sole survivor from the original list, significant use is still made of the hall, either by its volunteers or by hirers. Some form of event is hosted on most weekdays, often involving a form of physical exercise, but your hall also caters for less strenuous gatherings, such as meetings or social occasions. Weekends are often used for family groups or by visiting parties.

HVH is yours. The hall's income is derived from each of these uses and provides for the upkeep of the building and its grounds, which have been considerable in recent years. During the recent pandemic, it closed for just 2 months before carefully defined safety measures allowed for the re-opening, and with the aid of government hospitality grants. More recently, we have been faced with a sizeable issue with drainage, which will be resolved in the next few months.

HVH is yours. The hall's continued availability could not be achieved without the income derived from your events. It is a fact that small local individual fund-raising initiatives would not suffice for the hall's upkeep and would place a considerable burden on the regular volunteer group, so it is fortunate that those needs are now largely redundant because the main driver behind the hall's bank account is the Community Lunch, held each Wednesday. Having now operated for several years this has been a huge success in its financial support for the hall; but its initial purpose was for the provision of a safe place for all members of your community to meet, in a relaxed atmosphere. This it has done, and more, with considerable local attendance and several regulars visiting from distant parts, but also with casual visitors (hikers/cyclists) calling in as they pass by. The delicious hot and cold food on offer is supplemented by the availability of local produce; apple juice, conserves, local honey, home grown vegetables and flowers and cakes; by the ever-changing bric-a-brac stall and the extensive book selection. Shropshire Council's mobile library service every fortnight, the quarterly attendance of a blood-pressure monitoring service and the availability of a mobile Post Office service each Thursday morning, are additional benefits available.

Have I mentioned that HVH is yours, and you make a great success of it. So, a very big thank you to all those who make it work; of course, the organisers and volunteers at events, but particularly those of you who attend and, by doing so, permit your hall to thrive.

THANK YOU

On Wednesday 26th August, at about 12noon, Stuart Anderson (our MP) will be attending the HVH Cafe

Rea Valley Community Wildlife Group members have been looking for Curlew, Lapwing, Kestrel, Cuckoo and Red Kite since late March.

Our area extends from Stapeley Hill to Brockton in the west, across through Minsterley and Pontesbury to Plealey, south to Cothecott Hill and then westwards over the Stiperstones and Hope Valley.

If you've seen or heard any of these species, please don't assume we know about them.

Please report all your observations, especially any Curlew ("the most important bird conservation priority in the UK") to Leo Smith 07791 901732, leo@leosmith.org.uk.

CPRE Geology walks 2026

Have a Go at Archery

Many sports can trace their origins back through history, and some originated from war or hunting related activities, and are now a sanitised version of their origins. Archery goes back before most other sports, probably originating in Africa before spreading into Europe and the rest of the world. The sport has now evolved into a high-tech activity, with recurve and compound bows sitting alongside its basic form, the longbow and all these forms are practised in local clubs on a regular basis.

If you would like to try your hand at shooting arrows, then Long Mynd Archers, near Church Stretton, are putting on a series of Have a Go sessions on Saturdays. The next is 8 August between 10 and 12 noon. No booking is required, so just turn up between 10 and 12. The cost is £15 for a one hour session with qualified coaches and experienced archers. All equipment is provided by the Club, and there will be opportunities to progress further if you would like to do so. The club is situated at New House Farm, SY6 7JH, on the A49 just before the traffic lights at Church Stretton. More information can be found on the Club's website www.longmyndarchers.co.uk.

CAN YOU HELP ?

We are looking for someone to take over the production of Hope Newsletter.

This involves liaising with Barry on content, monitoring emails, collating entries and adverts and sending to our printers each month.

You don't need any design skills but knowledge of or willingness to learn using Canva Pro is required.
This is not an onerous task, it takes around 3 -4 hours each month.

If you are interested please contact Sarah on 07790 100462 or email treasurer@hopevillagehall.org.uk
